Proficient in leveraging data-driven insights to enhance operational efficiency and drive business growth. Skilled in stakeholder engagement, communication, problem-solving, pre-sales execution, and marketing techniques. Committed to implementing innovative solutions to achieve organizational objectives and contribute to overall success.

## WORK EXPERIENCE

### **Enignova**, Ahmedabad

*Unity Developer & XR Consultant - Contract Based*

01/2024 - Present

Successfully contributed to multiple extended reality (XR) projects, collaborating with international clients to deliver innovative and immersive solutions. Responsibilities included developing engaging XR experiences and generating new leads to enhance brand visibility. Strong communication skills and a deep understanding of client needs consistently drive project success and foster relationships that support business growth in the XR landscape.

### **Viitorcloud Technologies**, Ahmedabad

*Unity Developer*

09/2022 - 12/2023

Expertise in AR, VR, MR, and holographic experiences, leveraging Unity for enterprise development. Background includes product and game development, focusing on delivering innovative, immersive solutions that meet client needs. Excels in creating interactive and engaging XR experiences, driving project success and enhancing brand presence.

### **Kryptoninc Infolab**, Ahmedabad

*Unity Developer Intern*

06/2022 - 09/2022

Created engaging games as an Indie Game Developer by designing 2D and 3D models, developing user interfaces (UI), and producing game assets. Tested and debugged existing games to enhance performance and user experience. Skills in game design, asset creation, and quality assurance contribute to delivering high-quality interactive experiences.

## EDUCATION

### **Computer Engineering**, Graduation Year (2023)

Gujarat Technological University (State University), Ahmedabad
