PERSONAL SUMMARY

I am currently a second-year undergraduate in Computer Science specializing in Artificial Intelligence. I get excited about using tech to tackle tough challenges and make things better for people. I've been deep-diving into software engineering, machine learning, blockchain concepts, and I am currently pretty comfortable with languages like Python and C. I'm eager to apply theoretical knowledge in a practical setting via a research project or a research internship. I'm all about bringing fresh ideas to the table and getting hands-on experience in the real world.

EDUCATION

Banasthali Vidyapith, Bachelor's of Technology

MAY 2022 - MAY 2026

Computer Science-Artificial Intelligence

St. Peter's Sr. Sec. School, Higher Secondary Education

MAY 2020 - MAY 2022

Physics, Chemistry, Mathematics

PROJECTS

Note Taking App

OCT 2023

Flutter, Firebase, Azure App Services, Azure Cognitive Services

- Designed a versatile note-taking application enabling users to capture ideas through tailored templates or freehand drawing
- Used Microsoft Azure's Speech to Text, Text to Speech, Summarization API's for the best results.

NFT Marketplace Website

MAR 2023

Ethereum Blockchain, Solidity, Azure Cosmos DB, Azure Blockchain Service

- Developed an NFT marketplace website for purchasing skins for popular games.
- Build frontend, backend, blockchain, and smart contract development.

SKILLS

Technical Skills:

C, Python, Java, Flutter, HTML, MySQL

ML Tools:

Scikit-learn, numpy, Tensorflow, Matplotlib

Cloud Platform:

Microsoft Azure

Platform:

Adobe Audition, Wavepad

AWARDS

Reckon 4.0 Hackathon

Participated in a 36-hour hackathon in my first year and secured a top 10 position out of the top 100 teams across India. JIET Jodhpur organized it along with its educational partner IIT Jodhpur and sponsor's like Polygon, Dev folio, Solana Lab.

Mayukh Hackathon

Secured First Place in a Technical Hackathon while presenting the idea of the NFT marketplace.

COURSES

Diploma in Audio Engineering

MAY 2022-MAY 2023

Certificate Course in French language.

MAY 2022-MAY 2023
