We would also like to remind you about the PLOS ONE [publication criteria](#) - listed below - which focus on the technical aspects of a study rather than more subjective evaluations of issues like 'impact' or 'interest level'. In essence, PLOS ONE wishes to publish ANY report of scientific research that will make a valid contribution to the scientific record.

To be accepted for publication in PLOS ONE, research articles must satisfy the following criteria:

1. The study presents the results of original research.
2. Results reported have not been published elsewhere.
3. Experiments, statistics, and other analyses are performed to a high technical standard and are described in sufficient detail.
4. Conclusions are presented in an appropriate fashion and are supported by the data.
5. The article is presented in an intelligible fashion and is written in standard English.
6. The research meets all applicable standards for the ethics of experimentation and research integrity.
7. The article adheres to appropriate reporting guidelines and community standards for data availability.

Therefore, your evaluation of this submission and your recommendation to the Academic Editor should focus on the scientific soundness of the work. Concerns that the work is lacking in novelty, impact, or interest should not be taken into account. Please visit our [website](#) for more information about PLOS ONE.

**Appeal No 2195-09/22**

**Faizan Kirmani**

**(Appellant)**

**Vs.**

**National Accountability Bureau**

**(Respondent)**

**ORDER**

Date: November 04, 2022

Zahid Abdullah: Information Commissioner

**A. The Appeal**

1. The Appellant filed an appeal, dated September 05, 2022 to the Commission, stating that he submitted an information request to the Chairman, National Accountability Bureau on August 01, 2022 under the Right of Access to Information Act 2017 but did not receive the requested information from the public body.
2. The information sought by the Appellant is as follows:

*“What rules have been framed in terms Section 33C of NAB Ordinance 1999 in order to pay reward to member of public for rendering commendable services in detection, investigation and prosecution of any offence under NAB Ordinance 1999.”*

**B. Proceedings**

3. The Respondent in response to a notice of this Commission through a letter dated September 16, 2022 submitted response which is as under:  
*“Kindly refer to your letter dated 01.08.2022 on above cited subject. It is informed that reward to informer is being awarded on merit in respect of case to case basis as per Rule 4 (e) of National Accountability Bureau (Recovery Reward) Rules, 2000 which is summarized as under:*  
  
*“Depending upon nature of the case and significance of information provided, the Committee may recommend to the Chairman NAB, an amount to be paid to the informer up to the percentage as contained in the schedule to these rules. If there are more than one informer in a case, the amount of reward shall be shared between the informers on the recommendations of the Committee which shall be based upon nature and value of the information or evidence.”*
4. Response submitted by the public body was shared with the Appellant on October 10, 2022.
5. The appellant on October 18, 2022 submitted rejoinder to the response of the public body which is as under:

*“Although NAB has responded me upon your directions but in the manner which I did not request.”*

6. The appeal was fixed for hearing on November 03, 2022. Mr. Nadeem Khan, Deputy Director, National Accountability Bureau attended the hearing. He submitted before the commission that the requested Rules have not been uploaded on the web site of the NAB.

**C. Issues**

7. The instant appeal has brought to the fore the following issues:
  - (a) Has the Respondent provided the requested information to the Appellant permissible under the Right of Access to Information Act, 2017?
  - (b) Does the web site of the Respondent, National Accountability Bureau, (NAB), contain categories of information mentioned in Section 5 of the Right of Access to Information Act, 2017?

**D Discussion and commission's views on relevant issues:**

8. Responding to the information request of the Appellant pertaining to the *“rules have been framed in terms Section 33C of NAB Ordinance 1999 in order to pay reward to member of public for rendering commendable services in detection, investigation and prosecution of any offence under NAB Ordinance 1999”*, the Respondent, NAB submitted that *“reward to informer is being awarded on merit in respect of case to case basis as per Rule 4 (e) of National Accountability Bureau (Recovery Reward) Rules, 2000”*.
9. The representative of the Respondent also submitted before this commission that Rule 4 (e) of National Accountability Bureau (Recovery Reward) Rules, 2000 is not published on its web site.
10. This Commission has observed that information of public importance mentioned in Section 5 of the Act is not being published through the web site of federal public bodies. In fact, the Web sites of federal public bodies contain generic information and not specific information as required under Section 5 of the Act. This is despite the fact that Principal Officer of each public body was required to ensure proactive disclosure of information through web site within 6 months of the commencement of the Right of Access to Information Act, 2017.
11. Even a cursory glance at these categories demonstrates that the significance of their proactive disclosure can hardly be exaggerated in terms of improving governance in the country.
12. Under staffing of officers is a perennial problem faced by public bodies. However, this issue does not get public attention it deserves. If a ministry keeps updated diary of its officers on its web site, citizens would know about total number of sanctioned posts and the details about sanctioned posts filled and lying vacant. This critical issue of under-staffing is not going to get public attention if this information is not brought in the public domain through proactive disclosure of directory of officers through web sites.
13. It is common knowledge that citizens face multiple barriers because of the lack of information about services being provided by a public body. For example, if particular sub-section about proactive disclosure of information is implemented, citizens would know about terms and conditions for acquiring any license, permit, consent, approval, grant, allotment or other benefits offered by a ministry.
14. Citizens would be able to know about terms and conditions for all kinds of agreements and contracts that are entered into by a federal public body.
15. Citizens would be able to know about the particulars of the recipients of any concession, permit, license or authorization granted by the public body because it is a legal requirement considering that all such grants are given through taxes of the citizens.
16. Citizens would have greater level of participation in the governance of the country if information about decision making processes of the public body and information about

how citizens can provide their input to the public bodies made available on the web site of the public body, as required under Section 5 of the Act.

17. There is need for improving availability of information in the public domain about the allocation and utilization of public funds by federal public bodies so that citizens could know how their taxes are being put to use. This would only happen when public bodies put Detailed budget of the public body; including proposed and actual expenditures, original or revised revenue targets, actual revenue, receipts, revision in the approved budget and the supplementary budget on their web sites as required under Section 5 of the Act.
18. The implementation of Section 5 of the Right of Access to Information Act 2017 would help citizens exercise their constitutional right of access to information in matters of public importance if federal public bodies put details of the method methods for seeking information from the public bodies.
19. In this connection, each federal public body is legally obligated to put Schedule of costs, developed by Pakistan Information Commission, (available on the commission's web site) for seeking information from federal public bodies on its web site. Furthermore, each federal public body is legally obligated to put name, title, E-mail and telephone number of the Public Information Officer notified under the Right of Access to Information Act 2017 on its website, a crucial piece of information which few public bodies have put on their web sites.
20. Officers have to file information requests and then appeals with commission to get access to enquiry reports conducted against them. Similarly, candidates who apply for government jobs seek information by filing appeals with the commission to get access to information about criterion for jobs and marks allotted to successful candidates to gauge the level of fairness adopted by the public body in the recruitment process. Citizens will not have to go through the trouble of filing information requests and appeals with the commission if each public body ensures that all performance reports, audit reports, evaluation reports, inquiry or investigative reports and other reports that have been finalized are made available on the web sites of the public bodies.
21. This commission is of the view that trust of citizens in public institutions is irrevocably linked with timely and accurate flow of information between citizens and public institutions. However, this would only be possible when Principal Officers of federal public bodies would ensure implementation of the Right of Access to Information Act 2017 in letter and spirit.
22. It is pertinent to mention here that this commission has maintained through its different Orders that the information, proactively published under Section 5 of the Right of Access to Information Act 2017, should be 'accessible' for all citizens, including the blind, low-vision, physically disabled, speech and hearing impaired and people with other disabilities. Apart from the interpretation of 'accessible' in section 5 of the Act, section 15 (5) of the ICT Rights of Persons with Disabilities Act 2020 requires federal public bodies to ensure accessibility of web sites to the special needs of persons with disabilities and it is as under:  
  
"The government shall ensure that all websites hosted by Pakistani website service providers are accessible for persons with disabilities".

#### **E. Order**

23. The Appeal is allowed. The Respondent is directed to ensure that information/records mentioned in Section 5 of the Right of Access to Information Act, 2017, including Rule 4 (e) of National Accountability Bureau (Recovery Reward) Rules, 2000, is published on its web site and submit the compliance report to the commission in the Template for the Compliance Report-Proactive Disclosure of Information under Section 5 of the Right of Access to Information Act 2017'. This template is available under 'Information Desk' category at the web site of the commission [www.rti.gov.pk](http://www.rti.gov.pk). The compliance report be submitted to this commission within 10 working days of the receipt of this Order.
24. The Respondent is directed to ensure accessibility of the information proactively published on its web site under Section 5 of the Right of Access to Information Act 2017 for all

citizens, including the blind, low-vision, physically disabled, speech and hearing impaired and people with other disabilities and submit compliance report to this effect using 'Web accessibility checklist'. This checklist is available under 'Information Desk' category at the web site of the commission [www.rti.gov.pk](http://www.rti.gov.pk). The compliance report be submitted to this commission at the earliest but not later than 10 working days of the receipt of this Order.

25. Copies of this order be sent to the Respondent and the Appellant for information and necessary action.

Education is present.

**O R D E R**

Today, comments have been filed by learned counsel for Respondent Nos.2 to 6 (Dadabhoy Institute of Higher Education), who submits that in view of relaxation granted by the H.E.C. the petitioners are entitled to complete their Ph.D (Law) program. Learned counsel has referred to para D of the comments and the Annexure R/1 (copy of minutes of Board of Studies) which reads as follow:-

“Agenda No. 2  
To recognize / adapt HEC revised policy issued vide 15-54/Coord/2019/HEC/QAD/560 Page No. 4 section No. 3.3  
CGPA(c)(iii) dated 10 July 2023.

Discussion:

The HEC has issued Graduate Education Policy GEP-2023 which is applicable from fall 2023. However universities and currently enrolled students may take advantage of the policy provided that the university/HEI/DAI has adopted the policy through its statutory bodies. In para 3 of the policy (entitled minimum requirements of award of doctorate Degree) para No. 3.3 (c) provides.  
3.3 CGPA

- a) For admission in PhD program. A minimum CGPA of 3.0 (out of 4.0 in the semester system 7) or 60% (in the Annual System) in the MS/MPhil/equivalent degree being considered for admission, is required, whether such degree was obtained from Pakistan or foreign universities)
- b) If the CGPA/percentage is not mentioned on the transcript the candidate must produce equivalent weightage form the parent university.
- c) The students having strong demonstrated interest in obtaining PhD degree, but their CGPA is blow 3.00 (out of 4.0 in the semester system) or 60% marks (in the annual system) in the most recent degree obtained, may be admitted to a PhD program after fulfilling the following requirements;
  - i. shall study additional courses of 9-12 CH of level 7 taking a zero semester at admission awarding university/HEI/DAI and score minimum 3.00 out of 4.00 GPA, and
  - ii. The admission committee is satisfied that the applicant's knowledge of primary studies of the doctoral program.
  - iii. These requirements shall be in addition to any other requirements set in this policy for admission to a PhD program.

Accordingly it is endorsed hat this policy of HEC issued vide above mentioned notification dated 10 July 2023 is being adopted as whole by the BOS.

Regulation: The Board Unanimously approved to adapt Graduate Policy as recommended by HEC Islamabad.”

Copy of comments are taken on record and copy of the same has been supplied to learned counsel for the petitioners, who in view of such comments is satisfied and prays that instant petition may be disposed off while holding that both the petitioners are eligible to be issued the Ph.D (Law) Degree accordingly.

2. Learned counsel for the H.E.C. could not controvert such position, however, has referred to a statement dated 7.3.2024 filed along with further comments and submits that since Dadabhoy Institute did not obtain NOC for Ph.D. (Law) Program, therefore, they cannot otherwise issue a Ph.D. (Law) Degree. Such contention of the learned counsel for H.E.C. is vehemently opposed and denied by the learned counsel for the petitioners and respondent Nos.2 to 6, who have submitted that such objection besides being frivolous, is not the subject matter of instant petition, whereas, all the requirements for conducting Ph.D courses and issuing the Degrees have been met, moreover, H.E.C. itself has relaxed the criteria for the purposes of issuance of Ph.D (Law) Degree, according to which both the petitioners are found eligible by H.E.C. for issuance of Ph.D (Law)

Degree, therefore, such objection at this stage cannot be raised to frustrate the earlier proceedings of instant petition on such flimsy ground. Such contention of the learned counsel for the petitioners and the relaxation by the H.E.C. as reflected from the letter issued to this effect, duly confirmed by respondents Nos.2 to 6 who are willing to accede to the request of petitioners for issuance of Ph.D (Law) Degree, is found to be correct.

3. Accordingly, in view of the comments filed by respondent Nos.2 to 6 (Dadabhoy Institute of Higher Education) and the regularization/relaxation made by the H.E.C. to this effect in the aforesaid terms instant petition is allowed along with pending applications and respondents are directed to issue the Ph.D (Law) Degree to both the petitioners as per rules, policy and the above regularization/relaxation by the H.E.C., and submit compliance to this Court within one month from the date of receipt of this order through M.I.T. of this Court.

Dear Mr. Memon,

**Subject: Request for Nominations - Training of Trainers on Modern Investigative Techniques, 09-11 July 2024, Islamabad**

UNODC in collaboration with FIA is pleased to invite nominations from Sindh Police for the upcoming Training of Trainers (ToT) on Modern Investigative Techniques.

This ToT program aims to equip law enforcement personnel with the knowledge and skills to effectively train their colleagues on advanced investigative methods. The training will be held from July 9th - 11th, 2024 in Islamabad.

Following our recent collaboration with Sindh Police on drafting and updating the Trafficking in Persons Curriculum, our team of experts identified two exceptional officers who displayed strong potential for becoming trainers. We are pleased to recommend the officers for the ToT program. The names and details are mentioned in the table below:

Sr. No	Name	Designation	Contact
1	Mr. Malik Tariq	DSP - TDU Karachi	0300-2082994
2	Mr. Faizan Kirmani	Sub-Inspector - TDU Karachi	0321-8742840

In addition to the recommended participants, we kindly request Sindh Police to nominate 2 additional officers who are currently involved in training within Sindh Police's training institutes or colleges, possess strong leadership and communication skills and demonstrate a keen interest in and aptitude for investigative techniques.

UNODC will cover all travel costs, including boarding and lodging, for participants residing outside of Islamabad (as per UN regulations). Nominations should be submitted by June 24th, 2024, with 50/50 male/female ratio. For any inquiries, please contact Mr. Salman Nadeem at +923028550263 or salman.nadeem@un.org.

When submitting nominations, kindly include a copy of each candidate's CNIC, along with their correct email address and contact information.

Thank you for your cooperation and support.

Sindh Police Department, I.I. Chundrigar Road,  
Central Police Office, Karachi.

**Subject: Requesting Police Trainer for Joint Coordination Meeting of Investigation Officers, Prosecutors, and Medico-Legal Officers in February in Karachi, Hyderabad & Sukkur**

Dear Mr. Abdul Hameed Khoso,

The Legal Aid Society (LAS) is a not-for-profit organization operating with a mission to connect vulnerable and disempowered end users of justice with effective and expedient services for justice delivery. LAS specifically focuses on working to improve access to justice for survivors and victims of sexual and gender-based violence (SGBV) by enhancing the capacity of critical criminal justice system actors to respond in such cases.

LAS has worked with the Government of Sindh to develop a comprehensive five-year plan titled the "Sexual Violence Response Framework" (SVRF), for the effective implementation of laws and policies related to sexual violence (a copy of this is enclosed for your perusal, marked as Annexure 'A'). The SVRF is a compendium of recommended actions identified by various stakeholders, including civil society, lawyers, police, and other relevant government departments and institutions.

The Government of Sindh notified the Multi-Sectoral Coordination Committee (MSCC) under the Chairpersonship of Chief Secretary Sindh for an improved coordinated response to sexual and gender-based violence (SGBV) in the province, vide notification No. SO (C-IV) /SGA&CD/4-3/HD/21 dated 23.11.2021 (a copy of which is enclosed for your perusal, marked as Annexure 'B'). The SVRF serves as MSCC's roadmap for effectively implementing laws and policies related to SGBV.

Under the MSCC, five Technical Working Groups (TWGs) were formed on 28th April 2022, vide notification No. SO (IS-I) HD/4/1/2021/CCMSCC (attached herewith as Annexure 'C'). One of these technical working groups is working on the Assessment of Sexual and Gender-Based Violence Processes. **A core recommendation from the TWG is to conduct joint training**

sessions between Investigation Officers designated under Special Sexual Offences Investigation Units (SSOUIs), Special Prosecutors with jurisdiction to prosecute SGBV cases, and Medico-Legal Officers under Anti-Rape Crisis Cells. Since the Sindh Police Training Department has institutionalized capacity-building efforts for SSOUIs and Mr. Faizan Kirmani has been training new IOs at the time of onboarding and transfers, we are requesting his presence at the joint coordination training as a trainer. Other trainers include Dr. Summaiya, Police Surgeon Karachi and Mr. Basam Dahri, Litigation Specialist LAS.

With the initial preparation for the training going on, we request Mr. Faizan's presence at an agenda-setting meeting at LAS Office next week on Thursday, 19th January 2023, at 3 pm. Once the trainers have decided on the agenda, we will revert to you with a request for nomination and other logistical details.

Please reach out to Ms. Arham Sarwar at 03352172433 for any coordination.

Warm regards,

**Ms. Maliha Zia Lari,**
